

Refer & Win 2018!

Spread the word about Webb Insurance

Win a 50 inch LED TV

Our agency thrives on meeting and helping people just like you. We appreciate the referrals you have given our agency and now its payback time!

We want everyone to have a chance to win for “spreading the word” about the special treatment and competitive prices that you receive from us!

Here is what you need to do:

Just tell a friend, family member or anyone you meet to contact us for a quote. Make sure you tell them to mention your name when they call us and we will immediately enter your name in the random drawing for the HDTV.

- All referrals must be received by 5:00pm, Thursday December 13, 2018.
- The random drawing will be held Friday December 14, 2018.
- There is no limit to the number of people you refer. Do you want to increase your odds of winning? – Then refer more of your friends and family to us.
- The referral program is open to everyone. You do not need to be a client of the Agency to refer someone and receive your entry for the random drawing. It isn't even necessary to be present when the drawing is held.
- The people referred do not have to become our client for the referring party to receive random drawing entry.

All you need to do is refer someone to us and we will do the rest!
